ALL CAMPUS LIFE

**Re: Happy New Year**

Dear Campus Life Colleagues,

I've been thinking about our time together at Campus Life Academy in December and felt I should drop you a line to wish you a happy new year and add Groundhog Day. How time flies! January was a full month and I suspect that we will have very rich and full upcoming months until June. It is my intention to send you a mid-year update in the next couple of weeks to inform you on what my office has been working at the divisional and campus levels. Also, I have planned a Campus Life managers meetings to discuss the vision for the rest of the year and connect with VC McGinty's vision. We will send you minutes of this meeting subsequent to the 15th so that you can be informed too.

Stay dry, and thank you for your contributions this past month,

alma
